

# Your Employees are Essential.

Make sure they're protected from the flu!

## DID YOU KNOW?

Every year the flu results in **\$10.4 billion\*** in direct costs for employers due to hospitalizations and outpatient visits for adults.

**You depend on your workforce to keep things running smoothly — don't let an outbreak of the flu cause costly disruptions.**

- The CDC recommends an annual flu vaccine as the first and most important step in protecting against flu viruses.
- Everyone 6 months or older should get seasonal vaccine as soon as it is available.

## Sign Up with Us — We Do Everything Else
