Game On! Helping Families Move Forward! has been postponed

EveryStep's top priority is the safety and health of its employees, volunteers, the people in our care, and the people who support us.

With that in mind, we have made the decision to **postpone** our April 16th Game On! event. As soon as a new date is established, we will share event details via email, website and social media.

Please know that now, more than ever, EveryStep needs your support! Our services help vulnerable patients and clients – many of whom could be most affected by the COVID-19 outbreak or inability to access daily vital needs. EveryStep is making every endeavor to ensure continued health care and support to everyone in our care,

and our people and programs are working collaboratively and creatively to deliver upon our mission!

To support EveryStep during this difficult time, please contact EveryStep Foundation at events@everystep.org or consider making a donation online.
