## Help Support Families During the Holidays

The holidays can be stressful for families in need — gifts and special celebrations often take a back seat to basic necessities. Through **EveryStep's Share the Joy program** you can support families by fulfilling basic needs like groceries, laundry detergent, paper goods and more.

A simple act of kindness can provide temporary relief, but it can also provide hope. Your support helps people feel connected to others — and to critical support systems in our community — so that families know they are not alone.
